WHAT DO I NEED TO KNOW?

Psalms 119

PLAN IT

RESOURCE IT

STICK TO IT

(SERMON IN A SENTENCE) The Bible is a gift from God that lets us know God.

MEMORY VERSE

I have sought your face with all my heart; be gracious to me according to your promise.

Psalms 119:58

WHAT DO I NEED TO ASK?

(Icebreaker) What is your favorite verse, story, or book of the Bible? Why?

If you had experience with the Bible as a child, how did you feel about it? How do you feel about the Bible now?

Go to Psalm 119 and read verses 16, 20, 58, and 72. What motivates you to read the Bible? How do these verses impact your desire to dive into God's Word?

What stops you from reading the Bible? Be honest! What have you found that helps you overcome those obstacles? Share your tips so that your group can grow in this discipline together.

What does your Bible study rhythm look like? If you're not happy with where it's at right now, what is one thing you're going to do differently this week to improve it?

If you chose to participate in the 40-day fast that was introduced at the beginning of the series, how is it going? How has it challenged you and what are you learning?

If there is additional time: Check in on how things are going with your "one" from our first series of the year. Any victories or prayers to share with the group?
