Sermon: God in the Midst of It

Speaker: Jon Shaw

WHAT DO I NEED TO KNOW?

Esther 2

(SERMON IN A SENTENCE) God is present in the midst of the mess.

GOD IS WORKING IN YOU

GOD IS WORKING THROUGH YOU

GOD CARES FOR YOU

MEMORY VERSE

Being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus. -Philippians 1:6 NIV

WHAT DO I NEED TO ASK?

Ice Breaker: What is one of the most foolish things you did as a kid because all your friends were doing it?

What surprised you the most about the story of Esther? Is it what you expected from past readings of it or watching Veggie Tales?

What was your biggest takeaway from the sermon?

When was a time when you had to trust in God's will without being able to see the details? In what ways was this difficult? In what ways was it worth it?

If you were to look back 10, 20, 30 years, how have you seen God working in your life?

Looking back, have you ever seen him working through you when you didn't expect it, when you weren't even really trying?

How does knowing that God cares about your specific story in the midst of His much larger story shape your relationship with Him?

What is one thing you will do differently this next week(s) because of our time together or God's prompting in your life?
